**STREET ENVY**  
INTRODUCING THE **H6 GT**

## EXPERIENCE **THE BEST** OF BOTH WORLDS

The All-New H6 GT is a blend of coupé-inspired design merged with the practical accolades of a modern SUV. The standout styling, unique designed feature of aero side skirts, increased cabin space, Semi-Autonomous Driving and most importantly curb appeal make it their most dynamic SUV to date.

## DISTINGUISHED DESIGN

The Haval H6 GT sports a streamlined body, wheel arch cladding as gloss black accents, and carbon fibre inserts on the front and back. The rear is finished with a roof-mounted spoiler and lip spoiler enhancing the fastback rear. This SUV's striking appearance is dangerously enviable, standing out from the crowd every time you leave your home.

## H6 GT

Combining sleek and sporty exterior lines with SUV practicality, the new 2.0-litre turbo petrol engine with 155kW @ 6000r.p.m and 325N.m. @ 1500r.p.m.

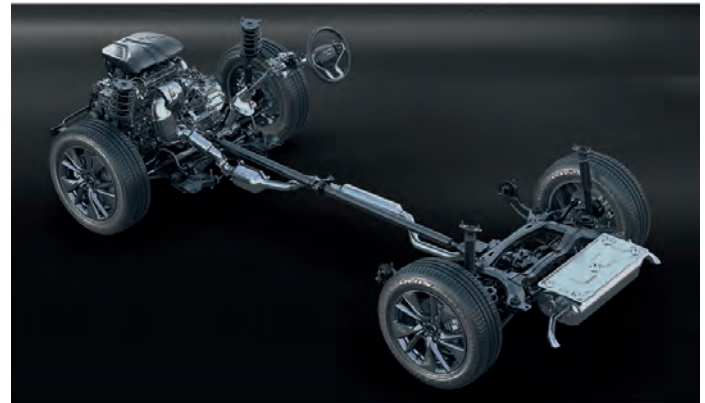

The power is delivered through a 7-speed DCT when and where you need it, matched with a torque-on-demand (TOD) 4WD system, the H6 GT is built around the driver with a beautifully crafted interior giving a balance of versatility and modern luxuries to effortlessly perform in everyday life.

This SUV is also the first Haval in the country to have 'Race Mode', with the Sport exhaust tone with a more aggressive throttle and transmission response.

2.0 litre Turbo Petrol

7-speed Dual Clutch Transmission

Front Macpherson Rear Multi-link Independent Suspension + AWD

# DRIVE IN LUXURY

To reinforce its ambitious stance, you'll find that the interior delivers sophisticated comfort with sporty green trimming and stitching with Alcantara inserts. With a driver-centric design, the Haval H6 GT boasts branded and heated seats, a 10.25-inch digital instrument cluster, wireless charging, and a 12.3-inch central display.

# COMFORT IN EVERY DRIVE

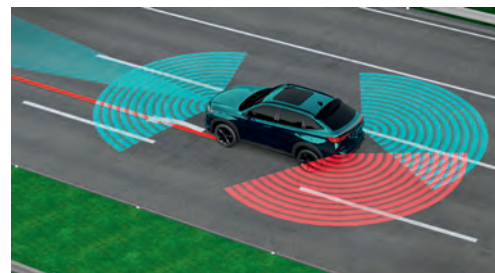

Intelligent safety functions covering 360-degrees of your new H6 GT make every drive easy and enjoyable.

ACC (Adaptive Cruise Control) + ICA (Intelligent Cruise Assist) + TJA (Traffic Jam Assist)

TSR (Traffic Sign Recognition) Overseas model shown.

LKA (Lane Keep Assist)

# ADVANCED SAFETY

Intelligent technology, active and passive safety protection, front and side monitoring provide worry-free travel.

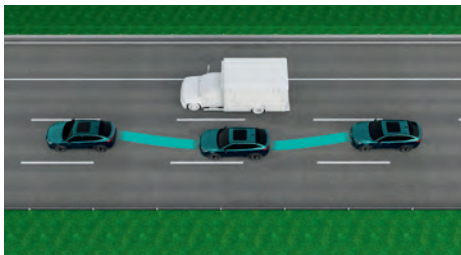

## 360 CAMERA - SEE EVERYTHING AROUND YOU

- A broader field of view can help avoid safety hazards.
- With four wide-angle cameras set up on the front and back, right and left of the vehicle, the 360HD view ensures zero blind spots.
- This system can detect the collision risk around the vehicle and gives a timely warning to avoid accidents.

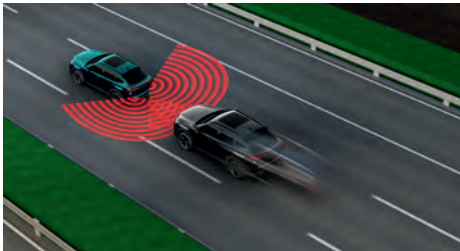

## AUTO PARKING - CONVENIENCE AT THE WHEEL

- Convenience at the wheel.
- Manoeuvre into any space.

## INTELLIGENT DODGE - A MOVING FORTRESS TO KEEP YOU SAFE

- Smart Collision Avoidance System
- Keep safety a top priority while traveling.
- When overtaking a truck or a long vehicle, when activated the system will control the vehicle to ensure that a safe distance is kept.
- Once the vehicle has moved past the truck or long vehicle, it will move back to its correct position between the lane lines.

## REAR COLLISION WARNING - A SIXTH SENSE

- All eyes are on the road with the Rear Collision Warning.
- An alarm is triggered when another vehicle is approaching at a higher speed.
- Driver will be alerted with double flashes and a warning tone, avoiding rear-end collisions.

## AUTOMATIC EMERGENCY BRAKING (AEB) - WHEN YOU NEED IT MOST

- Avoid danger caused by a braking vehicle or sudden movement of a pedestrian, AEB is able to start braking automatically with the purpose of avoiding a collision or at least limiting its impact under 60km/h.

## DOOR OPEN WARNING - SAFELY EXIT

- Avert possible accidents while parked
- The rear of the vehicle is monitored for possible safety hazards when you are about to open a door.

# TAILOR-MADE - JUST FOR YOU

From the front to the back, the top to the bottom, every inch of the new H6 GT has been meticulously thought out.
